

CAM-X 2022 AWARD OF EXCELLENCE PROGRAM

PROGRAM OVERVIEW

Your service quality CAN be measured! The CAM-X Award of Excellence Program is the tool you need to ensure the professional level of quality your clients demand.

Over a six-month period, your company will be contacted by outsourced 'mystery callers' who conduct test calls based on client profile information that you provide. Independent judges listen to the call recordings and assess a score; the average of all scores becomes your company's overall score. Participating companies achieving a score of 80 percent or higher will receive the CAM-X Award of Excellence, presented at the Annual Convention.
